---

\*It is not necessary to label all items with your child's name – only the ones indicated on the list above.

\*\*We ask that children who are napping get an **all-in-one mat/blanket/pillow combination** nap mat. It is much easier for the children to manage independently and for us to store.

\*\*\***Stuffed animals for nap may only be between 6-8 inches.** All nap items **must fit easily** into the zippered pillow protector. **We are extremely limited in our storage space**

\*\*\*\*All supplies can be found on Amazon if local stores are sold out.
