*** 1 family picture — may be printed or sent via email ***
please include the names of family members pictured

Additional Information/Items Needed:

- Backpack only large enough to hold a folder (no wheels) – labeled with name
- Full change of clothes (including socks and undies) in a gallon-size Ziplock bag – labeled with name
- All children that will stay for nap need a nap mat and a zippered, pillow protector – *(please see below) – both items labeled with name
- Spill-proof water bottle daily – please note spill-proof meaning that it will not spill, even when open

All children should bring supplies at your child's supply drop-off time

*It is not necessary to label all items with your child's name – only the ones indicated on the list above.

**We ask that children who are napping get an all-in-one mat/blanket/pillow combination nap mat. It is much easier for the children to manage independently and for us to store.

***. Stuffed animals for nap may only be between 6-8 inches. All nap items must fit easily into the zippered pillow protector. We are extremely limited in our storage space

****All supplies can be found on Amazon if local stores are sold out.
