

Welcome to

PRE-K 4

Ms. Carrie Booth's Classroom 2025-2026

I am so excited for the 2025-2025 school year!

We have so many fun things planned, and I am thrilled to welcome your child into my classroom next year. I am positive that we will have an amazing year

The first day of school is in August and we will begin with a staggered school schedule. You will receive detailed information letting you know the days your child will attend during the stagger days as well as some beginning of the year paperwork from me in early July. I have also set up our Bloomz account for the 2025-2026 school year and have attached the code to join with this packet. This will be my main way to communicate information to you and you can direct message me as well. I will check messages 2-3 times a week throughout the summer to answer any questions that may pop up. I love using our Bloomz app so I can share fun peeks at our week through photographs and video, so please be sure to sign-in to our class on the app to join us in the fun and stay up-to-date on classroom news!

Included today is our supply list for next year and a summer activities packet for anyone that would like to work with their child over the summer. Please note, that the summer packet is completely optional.

I look forward to sharing next school year with you and your child. Please feel free to reach out with any questions. I hope you have a safe and fabulous summer!

*Sincerely,
Ms. Carrie Booth*
